You will be one of the privileged riders who will be provided with accommodation right at the start and the finish. This will spare you the hassle of a bus transfer back to your start hotel. By the time many participants get on their bus, you'll have already showered and will be celebrating your performance.

With this program, we offer you to spend 2 nights in Pau in the charming 2* **Hotel Fer à Cheval**. Valérie and Franck brought back to life this former coaching inn by tastefully remodeling it, allying modernity and stylish pieces of furniture. Welcome to the Fer à Cheval, the family hotel at the foot of the Pyrenees. (<http://www.hotel-leferacheval.com/>)

Since 1930, Pau has become a mainstay of the Tour de France cycling race, thanks both to its geographical location and to its marvelous infrastructure. Pau hosted its 63rd stage in 2010, and only one other city besides Paris has done better. Next year, it will welcome for the 64th time the Tour de France and for the 7th time the Etape du Tour.

For the 3rd night in Bagnères de Luchon, we have booked rooms in the 3* **hotel Clarion Suites Corneille Luchon** (<http://www.antipodes-hotels.com/clarion-suite-corneille-luchon/>)

Bagnères-de-Luchon also referred to as Luchon, is a spa town in the Haute-Garonne county in Southwestern France. Bagnères-de-Luchon is celebrated for its thermal springs. The Tour de France route often passes through Luchon, due to its location deep between two cols.

Both hotels have been reserved on half-board (bed and breakfast with dinner - wine and water included).

The highlights of this package:

- Included in this program is the airport shuttle (on day 1 and 4) from/to Toulouse airport as well as the transfer of your personal items from the start to the finish.
- You will be staying right in the start town and will not have to get up in the middle of the night to get to the starting line. Quite to the contrary, you'll be able to reach it from your hotel in a couple of minutes!
- On the day before the race, you will be able to ride or walk to the village where you will pick up your bib number and visit the different stands.
- We will take care, on the morning of the Etape, of the transfer of your personal items between the two locations.
- At the finish, you will be one of the few privileged ones who will ride from the finish line to your hotel.
- Service of our staff
